

1080 HIGH PERFORMANCE CHALK

Driven by innovation and tested by top pros,
it's Pure performance chalk.

After more than five years of research and development, and three years of testing by the game's top pros, the next Predator evolution has arrived. Comprised of a special formula utilizing Pure silica and an exacting development process, 1080 Pure was created with one thing in mind - winning.

- Improved accuracy
- Greater consistency
- Increased spin
- Longer on-tip chalk life
- Better application coverage and comfort

Darren Appleton

I've tried a lot of chalk over the years but the Predator chalk is the best I have ever used. It's the best value for money and simply the best chalk on the market.
