XPG Grip

PBKW  
No Wrap

## Specifications

Shaft	: Deep Impact II
Shaft length	: 29 inches
Tip	: Sonic
Joint	: United
Butt length	: 29 inches
Grip	: No wrap
Weight	: 19.0 ~ 19.5oz

## United joint

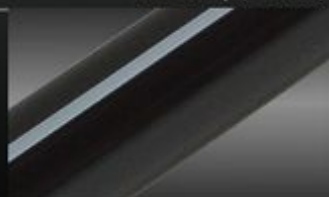

The patented Mezz united joint is the perfect adherence of the male and female parts that enhances energy transfer and distributes the energy equally even on off center hits.

## Composite wood butt

The composite laminated wood used for the Power Break Kai is impregnated with a phenolic resin that increases cue power and control.

## No Wrap(PBKW)

The wrapless design consists of a durable high gloss finish.
